Exclusions

This is a summary of policy exclusions. The policy contains other, more specific, exclusions and limitations not fully explained in this benefit summary.

- Plan benefits are not payable for a condition for which the claimant is eligible for benefits under worker's compensation or a similar law; or for a condition attributed to employment or military service. Coverage is not available for dental conditions caused by an act of war, self-inflicted injury, involvement in an illegal occupation, attempt to commit a felony, or active participation in a riot.
- If benefits for orthodontia are included, the plan does not cover any treatment plan started before coverage begins or during the benefit waiting period unless the member was receiving orthodontia benefits from this employer's previous group dental policy. In that case, Lincoln Financial will continue orthodontia benefits until the combined benefit paid by the two policies is equal to this policy's lifetime orthodontia.

Predetermination of benefits

Allows you to find the amount covered prior to having a dental procedure. We recommend that you use this service when expenses are expected to exceed \$300.
