Barn Hill Preserve will be visiting your child's school to give a live, exotic animal presentation. Barn Hill Preserve's main focus is to provide exotic animal and conservation education to students throughout the United States. Our educational presentation is completely free for your child and school! We fund our free program by providing students with the opportunity to take photos with our exciting, live animal ambassadors!

We also gratefully accept sponsorships! If you would like to sponsor Barn Hill Preserve's free education program, visit: <http://www.barnhillpreserve.com/#!sponsors/cfvg>.
