Dear Parents,

It is that time of year again to begin accepting nominations for Martinsville's Gifted and Talented Program. Students in grades K-12 are eligible. Nominations will begin on December 12, 2017 and close on January 12, 2018. The state goal for services for gifted/talented students states, "Students who participate in services designated for GT students will demonstrate skills in self-directed learning, thinking, research, and communication as evidenced by the development of innovative products and performances that reflect individuality and creativity and are advanced in relation to students of similar age, experience, or environment." Our GT program provides students an opportunity to demonstrate their diverse talents and abilities.

If you are interested in nominating a student for GT, please pick up a nomination form from the front office or from any teacher. Once a student is nominated and permission is granted for screening, the student is assessed and parents are notified in writing as to the final determination of the student's need for gifted/talented services. Students will begin being served in the 2018-2019 school year.

If you have any questions, please don't hesitate to call or e-mail.

Sincerely,

Angela Harris
